

ACCOUNTING ACTIVITIES:

http://www.wannalearn.com/Business_and_Careers/Accounting/

This is a web site I often use on Fridays for a little break. The site covers basic accounting concepts where students can do hands-on activities and reinforce concepts that ere covered in class.

<http://lessonplans.btskinner.com/acctg.html>

This is Tanya Skinner's accounting and business math web page. She has tons of resources and activities available.
